Principal’s Message

It’s Great to be Back!
Apart from four days in week 1 I have had an extended break stretching back to the end of term 4 last year. During this time I was fortunate to be the guest of a number of High Schools in Southern California and Hawaii. It was interesting to note that, despite cultural differences and socio economic circumstances all teenage boys share a common issue, making the successful transition from boyhood to manhood in the 21st century. Having met many educators and some parents it was comforting to note that we all have the same hopes and wishes for our boys, to lead a happy and healthy life. Many High Schools in the Los Angeles area present a huge a contrast, some of the students live a life of luxury in the mansions of nearby Beverly Hills and Bel Air, in fact a teacher informed me that the parents of one boy had just paid $114 million for a house in the exclusive Holmby Hills Estate across the road from Ellen DeGeneres and the infamous Playboy mansion, still other boys live in a refuge, only escaping homelessness due to the charity of others.
Birrong Boys High School

I would like to publicly acknowledge the hard work of each of these individuals in my absence, the best interests of our boys is at the centre of everything we do.

Recent Visit
I was recently invited to attend a Parent/Student evening at Georges Hall Public School by P&C President, Deb Bennetts. Our school doesn’t really have a relationship with Georges Hall Public School and I don’t know of any students who have transitioned from their school to ours but I am happy to say I accepted this invitation along with a number of my public high school colleagues. Each Principal was introduced to parents and students and given 5 minutes to discuss our school and to highlight significant programs that perhaps parents were unaware of. Of course we all spoke glowingly of our individual schools but Ms Mobayed, Principal of Condell Park High School summed up the sentiments of the evening most appropriately when she said that all public schools want the best for all of our students, that all public schools work tirelessly to source the best possible programs for our students and have the best understanding of the particular needs of our students. It was refreshing to hear her say what most public educators believe, that all of our schools will do our best for your children, it doesn’t matter to which of us you send your children but that you send them to a public school. It is unfortunate that education has become a business, that there are many private schools that charge huge fees for a lesser service than what we provide. It is also unfortunate that we public schools have been forced to compete with each other for student numbers as no student is merely a number, each student is an individual with specific needs and it is our job to ensure that each individual receives the best possible education from us.

Mr D Stevens
Principal

Thank you
Something that I learned many years ago is that no one is irreplaceable in education, should someone think that only they can fulfil a role they are in for a big fall from grace. A school is in a good position when an individual such as the Principal can be absent and his absence goes largely unnoticed. In this regard I would like to thanks Ms Ramadan for relieving in my absence, Ms Ramadan is a passionate and visionary leader with an immense regard for our boys, I’m sure students and staff enjoyed having her leading the school. Ms Tsopanos, whenever she has been called upon to relieve in the Deputy Principal capacity, has done a marvellous job. On a number of occasions since I have been at Birrong Ms Tsopanos has had a lengthy opportunity to relieve for Ms Ramadan and has excelled in terms of her leadership skills and her capacity to deal with a wide range of school community members. Ms Joseph once again has done a great job in looking after the English faculty and has a bright future in the role as a Head Teacher.
Deputy Principal

Primary School Students Get a Taste of High School
Birrong Boys HS hosted the Young Scientist Forum for year 5 and 6 students from Yagoona PS and Regents Park PS. The aim of the Forum was to strengthen the links between our school and our local primary schools.

It was also a chance for 50 students from year 5 and 6 boys to experience a mini snapshot of high school life as this usually leads to a smoother transition into high school. The students were able to dress up as scientists and engaged in practical lessons on building circuits and separating mixtures.

Celebrating a Sense of Community!
The staff and students of BBHS hosted their 4th Annual Community Breakfast on 17 March. One of the school's priorities is to establish deeper ties with local schools, local businesses and support agencies. As a result, the breakfast was organised to thank the school's local community for the time and effort they continue to put in to support our boys. The breakfast also provided staff and students the opportunity to share some of the positive and major achievements of 2014. The focus for this year's breakfast was to showcase the positive partnerships that we have established with three major universities, USYD, UTS and UNSW. Every year, our students participate in programs such as ASPIRE and an summer school to raise student aspirations of studying at university.

The school's executive team along with over 40 guests from local primary and high schools, learning and engagement service providers and community members joined the school in the celebrations. The event was well received by everyone who attended and the school received several congratulatory messages.

Special thanks to Ms Khan, Mr Hobbs, Mr Hill, Ms Good, Ms Piccolo, Ms Metcalfe, Ms Creighton, Ms Carrol, Ms Woodward and all the staff and the BBHS student leadership team for making the breakfast a success.
Local MP Meets our Student Leaders
On Friday 6 March 2015, Jason Clare, local MP for Blaxland and Shadow Minister for Communications spent the morning at our school talking to our student leaders. SRC, year 11 mentors and year 12 prefects were able to share their stories and future aspirations with Mr Clare. The idea of the morning was to build leadership capacity within the student leadership body as well as build confidence and share stories of success. Students enjoyed the morning thoroughly and were extremely engaged with a speaker who motivated them and encouraged them to reach for the stars. Thank you Mr Clare!

Ms Ramadan
Deputy Principal Administration
Parent Teacher Evening
On Tuesday 10 March the school organised a year 7 and 12 parent teacher night. This evening provided parents the opportunity for parents to meet the teachers and discuss the progress of their sons. Thank you to all the parents that attended, we value your contribution and the spirit of working together with you for the benefit of the students and community at large. I would like to thank our Community Liaison Officer, Ms Harris who made contact with most parents inviting to attend the evening.

Welfare Policy and Procedures Review
At Birrong Boys we review our Welfare Policy and make changes to suit our students’ needs. For our new parents we have a variety of coloured books that some students may receive to modify their behaviour. This first level is a yellow book.

Classroom Teacher Yellow Teacher Plan
As part of our ongoing improvement we review certain elements of our school policies. The school is currently reviewing the Welfare Policy and Procedures. We have introduced a new booklet “Yellow Teacher Plan”. If a student is not displaying appropriate behaviour and the teacher believes this is causing disruption to the learning and teaching, the student will be issued this booklet. The student needs to complete the front page and answer three questions:
1- Why have I been placed on a Yellow Teacher Plan?
2- What do I need to do to improve my behaviour?
3- My goal in this subject will be:

The student is placed on this book for two weeks, if the disruptive behaviour continues and no improvements are evident, the student is referred to the head teacher of the faculty who will place the student on an orange book.

The Head Teacher Orange Book
If a student does not make a positive change to his behaviour this will lead to an Orange book. This book is issued by the Head Teacher. The Head Teacher will make contact to parents.

Planning Room
The planning room is an isolation room where students, who have been experiencing behaviour difficulties, are given another opportunity to reflect on their behaviour and consider how they can improve. The student while in the planning room will need to:
- Remain quiet
- Stay in assigned seat
- Follow the rules
- Complete work provided
- Will have their recess and lunch break at a different time than the rest of the school.

The Deputy Principal Red Book
This book is issued to students returning from a suspension, they have 10 pages and a parent care giver signature is required each afternoon.

Compulsory School Attendance
I am attaching to this newsletter a brochure for parents explaining compulsory school attendance. Please read it carefully and most importantly as it states we will work together to plan if needed to assist your child attend school.

Mr M Derbas
Deputy Principal

Community Liaison Officer
Welcome to our second edition for 2015. I would like to start by congratulating our 2014 HSC high achievers with our highest receiving an Australian Tertiary Achievement Rank (ATAR) of 92.00. It was a pleasure being part of the morning tea held in honour of these students. Congratulations to all the boys on their great efforts and I wish them all the success in their future paths.

On 27 February, our first parent meeting was held in the library. I would like to personally thank the parents who attended, we had an outstanding number with over 40 parents in attendance. A personal invitation letter was sent out to all parents informing them of the meeting and future meetings throughout the year. As mentioned in our last newsletter, the school holds two meetings per term and again I encourage you to support the school and be involved in the schools’ planning process as
your presence at our school will be motivating to our students.

At this first meeting we had representation from each faculty and Q & A opportunities were given to parents. Positive comments from parents were happily received as they found this meeting to be very informative and productive. I would like to thank the teachers who delivered their presentations and to our deputies and acting Principal for their input and presence.

Our next Parent meeting will be held on Friday 27 March @ 9.30 in the Library, this will be followed by a short information session at 10am titled: “Think U Know”, a session in collaboration with Australian Federal Police and Microsoft. This session is centred on three key areas: how youth use and enjoy technology, the challenges they may be exposed to, and how to prevent and report when things go wrong. A free goodies bag and morning tea will be provided on the day. I strongly encourage you to attend and ask you contact me or the school on 9644 5200 to confirm your attendance if possible for catering purposes.

As you may be aware, International Women’s Day (IWD) is held every year 8 March. All around the world, IWD represents an opportunity to celebrate the achievements of women while calling for greater equality. On Wednesday 11 March, Ms Ramadan and I attended the Figtree Conference Centre to attend the Make It Happen Forum which was the theme for 2015. Some of our students at Birrong Boys High school were amongst the invited guests who heard inspirational presentations by working women. These presentations gave our students an insight to the plight of women and their positive contributions to society which I believe inspired and instilled in our boys further respect to women.

On Friday 20 March our school will take part in Bankstown Council’s Harmony Day events. At our last parents meeting, some parents registered their interest in attending a FREE movie screening.
Please ensure to be present for the screening by 10.15am outside Hoyts Bankstown. Our boys will be presenting two performances on the day and I look forward to updating you with pictures in our next newsletter edition 13 May 2015.

Once again, thank you to those parents who attended our parents meeting, I highly encourage all parents attend the next session. If you have any items you like me to include into our agenda, please feel free to email me souhair.afiouny3@det.nsw.edu.au or contact me at the school Thursday or Friday on 9644 5200.

I value your input and look forward to working with you.

Ms S Harris
Community Liaison Officer

English Report

I am back in my Head Teacher role after four weeks in the Deputy chair. I would like to thank Ms Joseph for filling my position in that time.

Welcome back to Mr Stevens. His presence in the school was missed by staff and students alike.

Ms Saheli has joined the faculty this term. It's always a pleasure to welcome new scheme teachers into the school. I wish Ms Saheli all the best at Birrong.

Year 12 Standard English and ESL classes have begun work on the new Area of Study, Discovery. Ms Good, Ms Joseph and Ms Sharma have devoted much time to preparing programs and resources for their Year 12 classes. In addition, a group of students went along to an HSC study day with Ms Good this term.

The annual Year 7 Spelling Bee Final will take place in term 3. Ms Tawadros will be coordinating the event this year. Spelling lists will be distributed to classes soon and weekly spelling tests will lead to the selection of the finalists in term 3. Prizes include specially designed trophies and a selection of gift cards.

Birrong Boys High School

A Year 8 creative writing competition will be inaugurated this year by Ms Tsanididis. This competition will run in conjunction with a writing unit that all of Year 8 will complete in term 2 as part of the scope and sequence. Prizes include gift cards and vouchers. Get writing, boys!

Every Year 8 student completes five hours of Greek lessons in a fortnightly cycle. The boys seem to be relishing learning the language and I can report that I'm often greeted warmly with 'Yiasou (hello) Miss'.

NAPLAN preparation is at fever pitch this term for years 7 and 9. In May the Literacy tests will run over two days and Numeracy is on the third day. All junior English students have access to the Spellodrome online program at school and they can also access the program from home using their unique codes.

Year 7 have completed the unit Me and the World this term. Please take the time to read some of their work in these pages.

It was a pleasure to meet so many parents of our year 7 and year 12 students at the recent afternoon meeting. Parents are also welcome to contact me at the school on 9644 5200 if they wish to discuss their son's progress.

Ms Tsopanos
Head Teacher ENGLISH/ ESL/ Languages
My name is Suhaib. I am from Palestine. I was born in Australia at the Bankstown Hospital. I have been to Palestine four times – when I was a baby, when I was in Year One, Year Four and last year. My favourite thing to do is to eat and travel overseas. I also like to go on school camps. I love to take care of my pet, my baby pigeon. My weight is 35 kg and my height is 104 cms. When I go to Palestine I love to explore the place thoroughly well. My favourite NRL team is Bulldogs but I only went to their game once. I also like to play video games on my PS4. My best games are 'Need for Speed', ‘GTA V and FIFA 15.

Acrostic Poem
Me and my world
Owning my world
Hiding from people
Armour and shield I hold to protect myself from this world
Many years passed by but I fear to speak
My days are ending
And there’s nowhere to go
Don’t wake me from this nightmare until the time is right

Mohammad Ali Al Helfy

THE GREAT POWERFUL WIZARD
It was a long time ago. I lived in a village that was attacked by a powerful wizard. His magic was so strong and he was unbeatable. So in order to face him one had to be really powerful. One day when I was walking I tripped on a rock. I was surprised to find a gold ring that had rolled out from the rock. I picked it up and put it on. Then I went to fill a bucket with water. As I raised my hand the level of water rose up as well as if it was magic. The powerful wizard saw me wearing the ring and he wanted it. But I used it against him. I got my lucky shot but he said that he would be back with his improved aim to face me.

I read an old book about the ring and trained with it. It taught me how to make strong armour that would not break. It also came with its powerful sword. So when the powerful wizard attacked we fought back and I used the right with all its power and succeeded in beating him. The villagers threw a big party and everybody lived happily ever after.

Diary Entry

Today is the most wonderful day of my life because when I woke up and looked out of the window, I was in a totally new world. I felt fresh and alive because I saw lots of beautiful birds across the sky. And the trees were filled with fresh fruits. When I looked out I also saw my dog jumping around my backyard looking crazy. Sunlight filtered through the windows creating beautiful shades of pink and red. I also saw the river lined by plants and visited by animals. The day could not get any better I thought.

Library Report

Among the new books in the library is Fighting Bones from the Do You Dare? series. This series of books is written by specially featured award winning authors who are selected to write a novel set in a variety of historical contexts. Their aim is to pull the reader in for an historical ride alongside the main character. Below is an extract of a review from the Kidz Review Krew, a blog for kids who love books.

1836 Do You Dare? Fighting Bones by S. Laguna

Set in the Point Puer Boys Prison in Tasmania, **Fighting Bones**, is a glimpse of what life was like in 1836 for convict boys. Written in the present tense, **Fighting Bones**, pulls the reader into the novel, alongside Declan Sheehan, an Irish convict boy sent to the Tasmanian prison with his little brother, Danny. The story is narrated through Declan’s eyes as he, his brother and two of their friends endure the harsh conditions of prison life. Exhausting physical labour and strict discipline are not the main problems the four Irish boys face. When young Danny witnesses a murder, they all become targets for the prison bully, Striker, and his gang. Escaping the prison is their only chance to survive.

Laguna compels the reader to follow Declan as he makes important decisions. The novel successfully engages the reader with themes of bravery, loyalty, loss and hope while bringing the history of prison life in 1836 Tasmania to life.

Our boys are encouraged to spend time in the library to explore our other new titles, including Amulet, 1931 Do You Dare? and Heroes of Olympus: The Lost Hero.

Ms Good Librarian

Careers Report

Welcome back returning and new students and staff of Birrong Boys High School 2015.

This information is for our senior Year 12 students that want to go to university after completing their HSC. If you go online there are open days at universities usually in August and September and they will provide you with a lot of information.

Some universities include:-
- University of Western Sydney.
- University of New South Wales.
- University of Sydney.
- University of Technology Sydney.
- Macquarie University.
- Notre Dame.
- Australian Catholic University.

As a Year 12 senior student I encourage all Year 12 students and parents to go online and browse around some information about universities that will benefit you later on.

We will also be having a Careers Forum happening in term 2 in May 2015. All parents are invited to attend. More information about the Careers Forum will be mentioned in the next newsletter.

If you have any concerns with your child’s education please contact our Careers Adviser, Ms Krnjaic on T 9644 5200 ext. 228 and make an appointment to see her.

Have a great term everyone!

Nathan Blas  
Prefect/President Careers Leadership Team
Sports Report

Term 1 has moved into the second phase, and many students have been busy representing the school and the Bankstown Zone in a variety of sports.

The school swimming carnival was held at Birrong Pool. Jesse HutaBarat was again a standout performer and moving onto Zone. At the zone carnival, Jesse finished 3rd in the 100m and 200m freestyle which qualifies him for the regional carnival.

A number of boys have been trialling for the Zone teams, and some have been selected to compete at the SSW area championships. Andre Arna was part of the zone team which finished 3rd at the area volleyball championships. Kazim Al-Hesani has gained selection in the zone soccer team, Liva Leaetoa was picked as the five-eighth in under 15's rugby league side, and Alai Alai was chosen in the opens rugby league squad. Good luck to those students at the upcoming regional carnivals.

On Wednesday 18 March 2015 students will be taking part at the Captains Cup Rugby League 9 a side gala day at The Crest. The school has entered a side in each of the Year 7 and 8 divisions, along with 9 and 10 divisions. The winning sides on the day will represent the Bulldogs at the Captains Cup State Carnival later on in the year.

The school has also been competing in a number of SSW knockout tournaments. Results are as follows:

- Opens touch defeated Sefton 6-2. 2nd round opponent is Bass High.
- Opens basketball lost to Strathfield South 27-18.
- Opens cricket defeated Bass High via forfeit

A number of other teams will be commencing their 2015 campaigns in coming weeks.

Mr G Roukanas
Sport Organiser

For Parents

Parent Information Session
Internet Safety

When: Friday 27 March 2015 10am
Venue: Birrong BHS Library

Are you worried about how youth use and enjoy technology, the challenges they may be exposed to, and how to prevent and report when things go wrong. Then this presentation is for you.

ThinkUKnow is an internet safety initiative which aims to raise awareness of the issues which young people face online and whilst using mobile phones. It is a partnership between the Australian Federal Police (AFP) and Microsoft Australia, and is now proudly supported by ninemsn and Datacom.

Our school will be hosting a ThinkUKnow presentation on Friday 27 March 2015 @ 10am and all parents, carers and teachers are encouraged to attend. This presentation will cover topics such as how young people are using technology, online grooming, cyber-bullying, inappropriate content and e-security.

This is a fantastic opportunity for you to learn more about how young people have fun online, how you can help them to stay in control on the net, and how to report a problem.

For more information, you can visit the ThinkUKnow Australia website at www.thinkuknow.org.au or contact Ms Harris, Community Liaison Officer on 9644 5200 ext 235 or souhair.aifiouny3@det.nsw.edu.au.

We look forward to seeing you all at the presentation.

Succeeding in Science

Encouraging your teen to ask questions and helping them find the answers is top of the list in helping them to succeed in science. Visit:
Facts about Tutors
Private tutoring to give kids a helping hand in their schooling is a growing business. However, it’s also an area where parents can be vulnerable to bogus offers and misleading advertising. Visit: http://www.schoolatoz.nsw.edu.au/homework-and-study/homework-tips/facts-about-tutors

Year 10 Subject Selection
In Year 10 students are asked to select subjects for Years 11 and 12. Here are some tips to help your teen choose well. Visit: http://www.schoolatoz.nsw.edu.au/homework-and-study/planning-for-the-future/year-10-subject-selection

A Crash Course in Poetry Appreciation
Understanding why an author uses certain words or structures in their poetry can help your teenager enjoy the English subject and give greater depth to their writing and language skills. Visit: http://www.schoolatoz.nsw.edu.au/en/homework-and-study/english/english-tips/a-crash-course-in-poetry-appreciation-for-your-high-schooler

Facts about Fractions
If you’ve forgotten 3/5 of primary school maths and 7/8 of high school maths, what’s left? Ah ha! Kids need help learning how to add fractions too. The only thing left is to print these fact sheets. Visit: https://www.det.nsw.edu.au/eppcontent/glossary/app/resource/factsheet/4013.pdf

Amazing Art
Autumn’s the perfect season to take a trip to a gallery. The popular ArtExpress exhibition connects us to the inner lives and self-expression of high school students. Amazing works are on show throughout NSW. Check out the calendar. Visit: http://artexpress.artsunit.nsw.edu.au/

Fitness for the Family
Michelle Bridges talks about how to make fitness a priority for the whole family - and the start of a lifetime habit for your kids. Try out tips to keep your kids healthy, active and out of the pantry. Visit: http://www.schoolatoz.nsw.edu.au/wellbeing/fitness/fitness-for-the-whole-family

Compulsory School Attendance
Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The Education Act 1990 requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and Educational Standards for homeschooling.

Once enrolled, children are required to attend school each day it is open for students.

The importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Gives students time to greet their friends before clas
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An Application for Extended Leave may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.
My child won't go to school. What should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school’s learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education and Communities may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child’s attendance at school.

- Application to the Children’s Court – Compulsory Schooling Order

If your child’s attendance at school remains unsatisfactory the Department may apply to the Children’s Court for a Compulsory Schooling Order. The Children’s Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child’s full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

Working in Partnership

The Department of Education and Communities recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

Further information regarding school attendance can be obtained from the following websites:

Policy, information and brochures:

The school leaving age:

Do you need an interpreter?

Interpreting services are available on request, including for the hearing impaired. The Telephone Interpreter Service is available 24 hours a day, seven days a week on 131 450. You will not be charged for this service.
